

## Academic flexibility in curriculum in UG programs in Somaiya Vidyavihar University – Six baskets and the courses in each basket.

The Vision statement of Somaiya Vidyavihar University states the following related to the need for baskets and the relevant courses (extracts given below)

.... There is so much scientific discovery taking place, at the intersection of fields, of **biology, computing, medicine, the social sciences** and everywhere else....

...Our education will also be **experiential**. With projects that are ‘real’ and those that complement the learning inside the classroom .....

...Our education will also be **holistic**. **Sports** and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for **art and culture**...

... And our education will also include the **ancient Indian tradition**, its culture, its depth, and its knowledge. We must keep the connection with our **mother tongue** and our languages. **Languages are storehouses of culture**, and the loss of a language takes with it much learning, stored through it over the ages....

To implement the points mentioned in the vision statement, the Six baskets and 222 courses will be available to the students to choose in the class roster from A.Y. 2025-2026.

The following are the six baskets and the corresponding courses in each basket are mentioned as provided by various Schools/colleges of the SVU and SVV.

No.	Basket	Courses	NEP	NBA
1	Sports	15	Value added courses	Open Electives
2	Spiritual Traditions	17		
3	Nature	73		
4	Languages- Modern Indian Languages	79	Ability enhancement courses	Humanities and Social Sciences
	Languages- Classical Indian Languages			
	International Languages			
5	Expressive arts – Music	7	Open electives/ Generic courses	Open Electives
	Expressive arts – Dance	4		
	Expressive arts – Theatre & Film	4		
	Fine arts	5		
6	Literature	18		
	Total	222		

The baskets are mapped to the National Education Policy (NEP) 2020 and National Board of Accreditation (NBA) groups.

The above-mentioned 222 courses are the collection of various courses either existing or new courses created by the subject experts in various departments and schools under the guidance of the Deans of the faculty and the Director of the school/Institutes and approved by the Board of Studies and the Academic Council. All the courses from the six baskets will be offered from first year of undergraduate program from A.Y. 2025 – 2026.

Since the courses mentioned above will be open for all the students of SVU it is very **important to adhere to the academic calendar regarding the start of both the terms** of academic year which will enable all the students at various schools to attend and learn from the very first lecture.

Basket courses allotment will be done to the student by class roster in the following steps

1. Eligibility based on the pre-requisites of the courses (defined by the school offering the course)
2. No clash of timing with the other courses as per the timetable of the class prepared by the Department/School
3. Availability of seats in that course as per the capacity defined by the Department/School
